Ordinance Standards:

The Board of Adjustment in its evaluation and decision-making process is required to ensure that your request meets all of the following standards. Please be prepared to provide information to the Board regarding these standards.

1. Special conditions and circumstances exist which are unique to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district. Special conditions shall include but not be limited to a property owner who can show that their property was acquired in good faith and where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property, or where by reason of exceptional topographic conditions or other exceptional or extraordinary situations the strict application of the terms of this Ordinance actually prohibits the use of the property in manner reasonably similar to that of other property in the district.
2. Literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of this Ordinance. In other words, an unnecessary hardship would result from literal enforcement of this Ordinance.
3. Special conditions and circumstances do not result from the actions of the applicant.
4. Granting the variance requested will not confer on the applicant any special privilege that is denied by this Ordinance to other lands, structures, or buildings in the same zoning district.
5. The Board of Adjustment shall make a finding that the reasons set forth in the application justify the granting of the variance, and that the variance is the minimum variance that will make possible the reasonable use of the land, building, or structure.
6. The Board of Adjustment shall further make a finding that the granting of the variance will be in harmony with the general purpose and intent of the New Hampton Zoning Ordinance and the New Hampton Comprehensive Plan, and will not be injurious to the neighborhood, or otherwise detrimental to the public welfare.
7. In granting any variance, the Board of Adjustment may prescribe appropriate conditions and safeguards in conformity with this Ordinance. Violations of such conditions and safeguards, when made a part of the terms under which the variance is granted, shall be deemed a violation of this title and punishable under the Ordinance.
8. Under no circumstances shall the Board of Adjustment grant a variance to allow for a use not permissible under the terms of this Ordinance in the District involved, or any use expressly or by implication prohibited by the terms of this Ordinance in the District.
9. If property lines cannot be determined through existing surveys or property markers, the request must be accompanied by a certified survey.

The concurring vote of four (4) members of the Board shall be necessary to reverse any order, requirement, decision or determination of the Zoning Administrator, or to decide in favor of the applicant on any matter which it is required to pass under City Ordinance, provided that the action of the Board shall not become effective until after the written decision or resolution of the Board, setting forth the full reason for its decision and the vote of each participating member has been recorded in the minutes. Said written decision or resolution shall be filed in the office of the Zoning Administrator and shall be open to public inspection.

Conditions:

Prior to the granting of any variance, the Board of Adjustment shall stipulate such conditions and restrictions upon the establishment, location, construction, maintenance, and operation of the variance as is deemed necessary for the protection of the public interest and to secure compliance with the ordinance standards and requirements specified in the previous section of this application. In all cases in which a variance is granted, the Board of Adjustment shall require such evidence and guarantees as it may deem necessary as proof that the conditions stipulated in connection therewith are being and will be met. If imposed by the Board of Adjustment, conditions shall be binding on the applicant if made a condition of the approval.
