

American Heart Association®
HeartCorps™

AmeriCorps

Join HeartCorps!

HeartCorps members will gain valuable skills for a public health career while helping rural communities improve heart health through working with health centers, community organizations, and public health departments.

Placements are full-time and include:

- An educational award upon successful completion of service
- Training and professional development
- A living stipend of \$1062.50 bi-weekly (pre-tax)
- Healthcare benefits
