2. If a home occupation, the use shall be conducted entirely within an existing dwelling unit, or if the use is a home industry, the use shall be conducted entirely and confined within an accessory detached building(s) located upon the property
3. The home occupation or home industry shall be conducted by a member(s) of the family residing within the dwelling unit and no more than one (1) non-resident employee.
4. There shall be no evidence of such occupation or industry being conducted within the dwelling unit, which is perceivable at or beyond the lot lines, by virtue of: outside storage, displays, noise, odors, smoke, vibration, heat, dust, electrical disturbances or excessive traffic generation.
5. Water, sewer, and waste disposal systems shall be subject to approval of the City Council.
6. Customer parking shall be provided and be as inconspicuous as possible on the premises.

**Acknowledgement and Certification of the Applicant and/or Owner:**

I/We understand this application, and that it with required attachments, constitutes our entire request and that a decision shall be made based on the City Comprehensive Land Use Plan and City ordinances; this application and any attachments; and public input. I/We certify that the information we have provided to the Zoning Administrator and City Council is complete, accurate, and true to the best of our knowledge. Any intentional falsification or change in the information contained in this application, or to the attached information, shall cause: this application to become null and void; the nonrefundable fee to be forfeited; and any approved home occupation or home industry permit to be revoked.

I/We understand that the nonrefundable fee for having this application considered is \$ \_\_\_\_\_. Under no circumstances shall all, or part, of this fee be refunded to applicant.

In order to address any questions or issues that may arise during this process, it is strongly suggested that the applicant/owner be present at all meetings during review of this application. Unanswered questions or unresolved issues caused by the absence of the applicant may cause the application to be rejected.

If approved by the City Council, a home occupation or home industry permit will be valid until the home occupation or home industry ceases, or the property changes ownership, or it is revoked by the City Council after a public hearing. Because operating a home occupation or home industry is a privilege, a previously approved application may be revoked by the City Council upon substantiated complaint of the surrounding neighborhood, or upon violation of City Ordinance, or the City of New Hampton Code of Ordinances.

If denied by the City Council or revoked by the City Council, a property owner must wait for a period of one (1) year before reapplying for a home occupation or home industry permit.
