Acknowledgement and Certification of the Applicant and/or Owner:

I/We understand this application constitutes our water / sewer connection permit application for the installation of a water and/or sanitary sewer service line, connecting the principal structure to the city main(s). I/We certify that the information we have provided to the Public Works Department is complete, accurate, and true to the best of our knowledge. Any intentional falsification or change in the information contained in this application, or to the attached information, shall cause: this application to become null and void and any approval granted herein to be revoked.

An applicant who is issued a water/sewer connection permit is bound, by acceptance of the permit, to commence the construction for which the permit is issued and is bound to finish said construction within six (6) months from and after said date of issue. Upon expiration of a permit, the holder shall make a new application for a new permit under the provisions of this chapter and shall otherwise go through the same procedure as required for issuance of the original permit. The fee for the permit shall be set by resolution by the City Council. Utility as-builts of the service line(s) shall be provided to Public Works Director prior to completion of the project.
